

78. By how many districts of Bihar was Patna district bounded till July 2018?

- (a) 7 (b) 8
(c) 9 (d) 10
(e) None of the above/More than one of the above

64th B.P.S.C. (Pre) 2018

Ans. (c)

Patna district of Bihar is bounded by 9 districts. These districts are as follows: Bhojpur, Saran, Vaishali, Samastipur, Begusarai, Lakhisarai, Nalanda, Jehanabad and Arwal district.

79. Which of the districts mentioned here is not included in the Jharkhand State?

- (a) Godda (b) Ranchi
(c) Bokaro (d) None of these

44th B.P.S.C. (Pre) 2000

Ans. (d)

Godda, Ranchi and Bokaro districts are part of Jharkhand. According to the official website of Jharkhand, the state has 24 districts. On 15 November, 2000 (at the formation of the state) it had 18 districts. However, later on six new districts – Latehar, Jamtara, Ramgarh, Khoonti, Simdega and Saraikela-Kharsavan were created.

80. 'Sunandini Program' is related to the

- (a) Anganwadi workers
(b) Auxiliary Nurse Midwives (ANMs)
(c) Primary health centre's doctors
(d) Members of Gram Panchayat
(e) None of the above/More than one of the above

67th B.P.S.C. (Re-Exam) (Pre) 2021

Ans. (a)

In the year 2021, with the joint supports of the social welfare department and the Bihar open schooling and Examination Board (BBOSE) 'Sunandini' program was started to strengthen the educational qualification of Anganwadi workers and to get ontime education.

81. Kahalgaon, Kanti, Barh and Nabinagar are the centres for which of the following?

- (a) Coal mining (b) Tourism
(c) Thermal power (d) Cotton textile industry
(e) None of the above / More than one of the above

B.P.S.C. CDPO 2022

Ans. (c)

All are thermal power plants in Bihar. Kahalgaon Super Thermal Power Station (KhSTPP) is located in Kahalgaon in Bhagalpur district of Bihar. The power plant is one of the coal based power plants of NTPC. NTPC Kanti also known as George Fernandes Thermal Power Plant Station is located in Kanti, Muzaffarpur, Bihar.

Economic Scenario

1. Which scheme was introduced by Bihar government to reduce poverty?

- (a) MGNREGA (b) Ujjwala
(c) Jeevika (d) More than one of the above
(e) None of the above

BPSC (Tre-3) {Class 6-8}–2024

Ans. (c)

JEEVIKA – Bihar Rural Livelihoods Project Society (BRLPS), is a Government of Bihar Project assisted by the World Bank. It aims to empower the rural poor by creating self-managed community institutions and enhancing incomes through sustainable livelihoods. Subsequently, the Livelihoods Restoration and Enhancement component of Bihar Kosi Flood Recovery Project (BKFRP) was also taken into the fold of JEEVIKA.

2. Bihar has created a Land Bank for establishing industries which currently has a Corpus Fund limited up to

- (a) ₹1500 crore (b) ₹2000 crore
(c) ₹2500 crore (d) ₹3000 crore
(e) None of the above / More than one of the above

B.P.S.C. Project Manager Prelims 2021

Ans. (c)

Bihar has created a Land Bank for establishing industries and the Corpus Fund for the Land Bank is limited up to 1500 crore. Later, this Limit was raised to 2500 crore to meet the increasing demand for land by industries and other allied sectors.

3. According to the Bihar Economic Survey (2021-2022), what was the rate of growth of Gross State Domestic Product (GSDP) of Bihar in 2020-2021?

- (a) 2.5% (b) 3%
(c) 2% (d) More than one of the above
(e) None of the above

68th B.P.S.C. (Pre) 2022

Ans. (a)

According to the Economic Survey 2022-23, Bihar's Gross State Domestic Product (GSDP) grew by 2.5% in 2020-21. As per the quick estimate for 2022-23, the GSDP of Bihar, at current prices is estimated to grow by 15.5 percent to Rs. 7.5 lakh crore, whereas the real GSDP is estimated to grow by 10.6 percent to Rs. 4.4 lakh crore in 2022-23.

4. According to the Economic Survey of Bihar 2021-22, what is the level of urbanization in the State at present?

- (a) 11.6% (b) 22.4%

- (c) 15.3% (d) 18.6%
(e) None of the above/More than one of the above

67th B.P.S.C. (Re-Exam) (Pre) 2021

Ans. (c)

According to Bihar Economic Survey, 2021-22, the level of urbanization in the state is 15.3 percent, while according to census, 2011, the level of urbanization of the state 11.29% (11.3%). According to Bihar Economic Survey 2022-23, the level of Urbanization in the state is 16.2 percent in 2022.

5. According to the 15th Finance Commission's recommendations, how much share will Bihar receive in divisible pool of Central pool of Central taxes from 2021-26?

- (a) 4.12 percent (b) 4.23 percent
(c) 4.89 percent (d) 4.06 percent
(e) None of the above/More than one of the above

67th B.P.S.C. (Pre) 2021

Ans. (e)

As per the recommendations of the 15th Finance Commission, Bihar will receive 10.058 per cent share in divisible pool of central taxes by 2021-26, which is the second highest among all states. Uttar Pradesh has the highest share (17.939%) among all the states.

6. The contribution of agricultural and allied sectors in the Gross State Value Added (GSVA) of Bihar state was _____ in the financial year 2017-18.

- (a) 17 percent (b) 18 percent
(c) 19 percent (d) 20 percent
(e) None of the above/More than one of the above

66th B.P.S.C. (Re. Exam) 2020

Ans. (e)

The contribution of agricultural and allied sectors to the Bihar's Gross State Value Added (GSVA) was 21 percent in 2017-18 and the share of crop sector in GSVA was 12.1 percent. According to Bihar Economic Survey 2023-24, the contribution of Agricultural and allied sector to the Bihar's GSVA was 19.85 percent in 2022-23 (Q).

7. How is the fiscal deficit estimated in Bihar during 2021-22?

- (a) Rs 22,511 crore (b) Rs 27,617 crore
(c) Rs 20,011 crore (d) Rs 21,543 crore
(e) None of the above/More than one of the above

67th B.P.S.C. (Pre) 2021

Ans. (a)

As per the Bihar Economic Survey 2021-22, the fiscal deficit in the year 2021-22 was estimated at Rs 22511 crore (2.97% of GSDP). Whereas for the budget estimate, 2022-23, it is estimated at Rs 25885.11 crore, which is 3.47 percent of the state gross domestic product. As per the Bihar Economic Survey 2023-24, the real fiscal deficit is targeted at 3% (Rs. 25.568 crore) of GSDP in 2023-24 (B.E.).

8. The fiscal deficit is expected to be of GSDP of Bihar for the financial year 2022-23.

- (a) 3.18% (b) 12.1%
(c) 3.47% (d) 9.89%
(e) None of the above/More than one of the above

67th B.P.S.C. (Re-Exam) (Pre) 2021

Ans. (c)

As per the Bihar Economic Survey, 2022-23, the fiscal deficit for the financial year 2022-23 (Rs. 25885.11 crore) is 3.47 percent of Bihar's G.S.D.P. (Rs. 745310 crore). As per the Bihar Budget estimates 2024-25, the Fiscal deficit for the Financial year 2024-25 is 2.98 percent of Bihar's GDP.

9. How much amount is estimated in 2023-24 as Bihar's revenue Surplus?

- (a) ₹ 25,568 crore (b) ₹ 2,12,579 crore
(c) ₹ 4,479 crore (d) ₹ 23,559 crore

B.P.S.C. Assistant Mains (GK) Paper II 2023

Ans. (c)

In 2022-23, receipts (excluding borrowings) are estimated to be 2% higher than the budget estimate. Revenue surplus in 2023-24 is estimated to be ₹ 4479 crore (0.5% of GSDP).

10. Nearly 55 percent of the total population of Bihar survives in absolute poverty because:

- I. Bihar lacks in natural resources, both existing and potential.
- II. Bihar has the fastest total fertility rate in India.
- III. Bihar has very unfavorable agro-climatic conditions.
- IV. Bihar lacks in quality infrastructure and business-friendly environment.

Which of these reasons are correct?

- (a) I and II (b) II and III
(c) II and IV (d) I, III and IV

47th B.P.S.C. (Pre) 2005

Ans. (a)

After the bifurcation of the state of Bihar, all the natural resources of the state came under Jharkhand. Thus, the state lacked in the present and possible natural resources. According to 2013 data, the total birth rate of Bihar is highest in India. Uttar Pradesh is at second place. According to 2015 data, Bihar has the second highest total birth rate (26.3) after Uttar Pradesh (26.7). As per the Bihar Economic Survey 2023-24, total fertility rate in Bihar is 3.0 which is one of the highest in India.

11. According to the Government Think Tank NITI Aayog's Multidimensional Poverty Index (MPI), the percentage of poor population of Bihar is

- (a) 50.91% (b) 51.91%

- (c) 52.91% (d) 53.91%
(e) None of the above / More than one of the above

B.P.S.C. Assistant Audit Officer 2022

Ans. (b)

Bihar has the maximum percentage of population living in poverty among all the states and the Union Territories, according to Government think tank NITI Ayog's multidimensional poverty Index (MPI). As per the Index, 51.91% of the population in Bihar is poor, followed by Jharkhand (42.16%), Uttar Pradesh (37.79%). As per the NITI Aayog's multidimensional Poverty Index : A Progress Review 2023, 51.89% of the Population in Bihar is poor, followed by Jharkhand (42.10%) and Uttar Pradesh (37.68%).

12. The Gross State Domestic Product (GSDP) of Bihar at current prices in the year 2017-18 was :

- (a) Rs. 4,87,628 crores (b) Rs. 3,61,504 crores
(c) Rs. 1,50,036 crores (d) Rs. 5,63,424 crores
(e) None of the above / More than one of the above

65th B.P.C.S. (Pre) 2019

Ans. (a)

The Gross State Domestic Product (GSDP) of Bihar in 2017-18 was 4,87,628 crore at current prices. As per the Bihar Economic Survey 2023-24, GSDP of Bihar in 2022-23 (Q) is Rs. 442473 crores as constant price.

13. As per the Bihar Economic Survey Report, social service expenditure during 2021-22 was

- (a) 39% (b) 6%
(c) 33% (d) 44%

B.P.S.C. Assistant Mains (GK) Paper II 2023

Ans. (*)

As per the Bihar Economic Survey Report, Social Service expenditure during 2021-2022 was 42.3%.

Note—Since this Figure is not mentioned in the given options, so the question is deleted by BPSC.

14. The latest annual per capita consumption of electricity in Bihar is –

- (a) Lowest (b) Second lowest
(c) Highest (d) Second highest
(e) None of the above/More than one of the above

63rd B.P.S.C. (Pre) 2017

Ans. (a)

Per capita consumption of electricity for year 2018-19 in Bihar was 311 KWh which is lowest among states. As per the Bihar Economic Survey 2023-24, the Per Capita Consumption of the Bihar in the energy sector is 329 kwh in 2021-22.

15. Which state has the lowest per capita income in India at the current price?

- (a) Bihar (b) Odisha
(c) Rajasthan (d) Gujarat

47th B.P.S.C. (Pre) 2005

Ans. (a)

Per capita income of Bihar in 2002-03 was 6634 rupees which was lowest among all Indian states. As per the Bihar Economic Survey 2021-22 Bihar's per capita income in 2022-23 (Q), as constant and current price respectively is Rs. 35119 and Rs. 59637.

16. What was the economic growth rate of the State of Bihar during the year 2016-17?

- (a) 6.3 percent (b) 7.3 percent
(c) 8.3 percent (d) 9.3 percent
(e) None of the above/More than one of the above

64th B.P.S.C. (Pre) 2018

Ans. (e)

As per the 12th Economic Survey of Bihar, its GDP growth rate during year 2016-17 was 10.3% which was 7.5% during year 2015-16. The GDP growth rate of Bihar is expected to be 10.5% during year 2017-18. Bihar Economic Survey 2023-24 the Gross state Domestic Product (GSDP) of Bihar grew by 10.6 percent in 2022-23 at constant price.

17. The per capita Net State Domestic Product at constant prices for Bihar is less than the country. In the year 2018-19, it was

- (a) 75 percent of the national average
(b) 60 percent of the national average
(c) 50 percent of the national average
(d) 33 percent of the national average
(e) None of the above/More than one of the above

66th B.P.S.C. (Pre) 2020

Ans. (d)

Bihar's per capita Net State Domestic Product at constant price was 50,555 for the year 2021-22 (Base year 2011-12). As per the Bihar Economic Survey 2023-24, Bihar's Per Capita Net State Domestic Product at Constant Price was Rs. 28679 for the year 2021-22 (P).

18. Which district in Bihar is poorest according to per capita income criteria?

- (a) Begusarai (b) Madhepura
(c) Supaul (d) Sheohar
(e) None of the above/More than one of the above

60th to 62nd B.P.S.C. (Pre) 2016

Ans. (d)

According to the Bihar Economic Survey (2023-24), three districts with minimum per capita income are respectively Sheohar (Rs. 18980), Araria (Rs. 19795) and Sitamarhi (Rs. 21448). Districts with maximum per capita income are Patna (Rs. 114541), Begusarai (Rs. 46991) and Munger (Rs. 44176) respectively.

19. According to the Economic Survey for the year 2019-2020, which district has lowest per capita income?

- (a) Sitamarhi
- (b) Sheohar
- (c) Araria
- (d) More than one of the above
- (e) None of the above

68th B.P.S.C. (Pre) 2022

Ans. (b)

As per the Bihar Economic Survey 2019-20, the district with lowest per capita income is Sheohar (Rs. 19.6 thousand). Araria has 20.6 thousand per capita income while Sitamarhi has 22.1 thousand. As per the Bihar Economic Survey 2023-24, three districts with minimum per capita income are respectively Sheohar (Rs. 18980), Araria (Rs. 19795) and Sitamarhi (Rs. 21448).

20. Choose the correct order of the Bihar State districts in descending order of per capita income.

- (a) Nawada > Kishanganj > East Champaran > Araria > Sheohar
- (b) Sheohar > Araria > East Champaran > Kishanganj > Nawada
- (c) East Champaran > Sheohar > Araria > Kishanganj > Nawada
- (d) Araria > Nawada > East Champaran > Sheohar > Kishanganj
- (e) None of the above/More than one of the above

67th B.P.S.C. (Re-Exam) (Pre) 2021

Ans. (a)

It is not mentioned in the given question that in which year, what is the descending order of the alternative districts in terms of per capital income. Since the latest Economic Review of the state of Bihar 2021-22 has been published. Therefore according to the data released in the Bihar Economic Review, 2021-22, the descending order of the districts in term of per-capita income in the given options is as follows Nawada (Rs. 23351) > Kishanganj (Rs. 23222) > East champaran (Rs. 22306) > Araria (Rs. 20613) > Sheohar (Rs. 19592). As per the Bihar Economic Survey 2023-24, the descending order of the district in term of Per Capita Income in the given options are as follows–Kishanganj (Rs. 24942) > Nawada (Rs. 22450) > East Champaran (Rs. 21625) > Araria (Rs. 19795) > Sheohar (Rs. 18980).

21. The latest per capita income at current prices is lowest for the Indian State of –

- (a) Bihar
- (b) Uttar Pradesh
- (c) Odisha
- (d) Nagaland
- (e) None of the above/More than one of the above

63rd B.P.S.C. (Pre) 2017

Ans. (a)

Bihar per capita income at current prices for the year 2020-21 in 50555 (Base year 2011-12) which is lowest in all Indian state. As per the Bihar Economic Survey 2023-24, Bihar's per capita income in 2022-23 (Q) as constant and current price respectively is Rs. 35119 and Rs. 59637.

22. The percentage share of Agricultural labour in total workers of Bihar is –

- (a) 40.18
- (b) 48.18
- (c) 29.17
- (d) 46.18

47th B.P.S.C. (Pre) 2005

Ans. (b)

As per Census 2001, labour force participation rate in India was 39.1% while in Bihar it was 33.7 percent. Agricultural labourers constituted about 48 percent of the total labour force in Bihar. According to Census 2011, the participation of agricultural labourers in the total labour force was 52.8%. As per the Bihar Economic Survey 2023-24, 48.6 percent people in Bihar are employed in the primary sector.

23. The largest jute-producing district of Bihar is –

- (a) Siwan
- (b) Gaya
- (c) Vaishali
- (d) Purnia
- (e) None of the above/More than one of the above

63rd B.P.S.C. (Pre) 2017

Ans. (d)

According to Economic Survey, 2020-21 Purnea and Katihar are the largest jute producing districts of Bihar.

24. The growth rate of the tertiary sector in Bihar during the year 2017-18 was :

- (a) 14.2%
- (b) 14.6%
- (c) 15.6%
- (d) 15.2%

65th B.P.C.S. (Pre) 2019

Ans. (b)

According to Bihar Economic Survey 2018-19, The primary sector (agriculture and allied activities like forestry, fishery and animal husbandry) recorded growth rate of 1.4%, secondary sector (mining, quarrying, manufacturing and construction) 2.5% and the tertiary sector 14.6% during 2017-18. The tertiary sector includes trade, hotels, restaurants, railways, road, water and air transports, storage communication and broadcasting, financial service and public administration. As per the Bihar Economic Survey 2023-24, the Sectoral growth rates in Bihar at constant price during 2022-23 (Q) were Primary (6.7%), Secondary (6.8%) and Tertiary (13.0%).

25. Choose the incorrect statement as per the Economic Survey of Bihar, 2021-22.

- (a) The primary sector in Bihar had grown at 2.3 percent.
- (b) The secondary sector in Bihar had grown at 4.8 percent.
- (c) The tertiary sector in Bihar had grown at the highest rate of 8.5 percent.
- (d) The primary sector in Bihar had grown at 2.8 percent.
- (e) None of the above/More than one of the above

67th B.P.S.C. (Re-Exam) (Pre) 2021

Ans. (d)

According to Bihar Economic Survey 2021-22, in the period of year 2016-17, the growth rate of the primary sector was 2.3 percent. The medium term growth rate of secondary sector was 4.8 percent and the growth rate of tertiary sector was highest at 8.5 percent. Hence statement (b) is incorrect. As per the Bihar Economic Survey 2023-24, for the year 2022-23, the growth rate of the primary, secondary and tertiary sector is respectively 6.7%, 6.8% and 13.0%.

26. In Bihar which sector recorded the highest growth during 2005-06 to 2014-15 ?

- (a) Agriculture
- (b) Banking
- (c) Registered Manufacturing
- (d) Transport
- (e) None of the above/More than one of the above

60th to 62nd B.P.S.C. (Pre) 2016

Ans. (c)

According to Bihar economic survey (2015-16), sector recording highest growth during 2005-06 to 2014-15 are Registered manufacturing (19.31%), Construction (16.58%), Banking and Insurance (17.70%) and Transport/Communication/Storage (15.08%).

27. Which one of the following cereals has the highest per hectare yield in Bihar?

- (a) Rice
- (b) Wheat
- (c) Maize
- (d) Barley
- (e) None of the above/More than one of the above

66th B.P.S.C. (Re- Exam) 2020

Ans. (c)

According to Bihar Economic Survey 2023-24, cereals given in options and their productivity level (2022-23) follows as:
Rice – 4024 Kg/Ha
Wheat – 2950 Kg/Ha
Maize – 6456 Kg/Ha
Barley – 1727 Kg/Ha
Thus we can say maize has the highest per hectare yield in Bihar.

28. In the history of Bihar for the first time, the economic survey of the State was presented by –

- (a) Nitish Kumar
- (b) Lalu Prasad
- (c) Sushil Modi
- (d) None of them

48th to 52nd B.P.S.C. (Pre) 2008

Ans. (c)

For the first time in the history of Bihar, the economic survey was presented by the then Deputy Chief Minister and State Finance Minister Sushil Kumar Modi in March, 2007. The new edition of Bihar Economic Survey 2023-24 was presented by Finance Minister of state Vijay Kr. Chaudhary.

29. What percentage of its total expenditure is spent by Government of Bihar on salary and pension alone?

- (a) 40 percent
- (b) 50 percent
- (c) 60 percent
- (d) 46 percent

48th to 52nd B.P.S.C. (Pre) 2008

Ans. (*)

None of the options is correct. The answer to these questions was marked as 'star' in the answer key issued by Bihar Public Service Commission.

30. The economy in Chhotanagpur was primarily based on-

- (a) Agriculture
- (b) Forests
- (c) Mines
- (d) Industries

42nd B.P.S.C. (Pre) 1997

Ans. (b)

Economy in Chhotanagpur was primarily based on forests. It is a plateau region so it was very tough to carry out agriculture here.

31. Bihar State (before separation) had how many 'Industrial Area Development Authorities'?

- (a) Six, viz., Adityapur, Bokaro, Patna, Ranchi, Darbhanga and Muzaffarpur
- (b) Five, viz., Adityapur, Bokaro, Darbhanga, Muzaffarpur and Patna
- (c) Seven, viz., Adityapur, Bokaro, Patna, Darbhanga, Muzaffarpur, Ranchi and Bhojpur
- (d) Four, viz., Adityapur Muzaffarpur, Bhojpur and Khagaria

53rd to 55th B.P.S.C. (Pre) 2011

Ans. (a)

There were six industrial area development authorities in Bihar (before bifurcation). These were Adityapur, Bokaro, Patna, Ranchi, Darbhanga and Muzaffarpur. Now, there are four Regional offices in Patna, Bhagalpur, Muzaffarpur and Darbhanga. The headquarter of the Bihar Industrial Area Development Authority (BIADA) is in Patna.

32. In Bihar, name the scheme which aims at building up infrastructural facilities of a high standard, required for establishment of 'Export-oriented Units' –

- (a) Integrated Infrastructural Development (IID)
- (b) Export Promotion Industrial Park (EPIP)
- (c) Concept of Build-Operate-Transfer (BOT)
- (d) Software/Hardware Technology Park (STP/HTP)

53rd to 55th B.P.S.C. (Pre) 2011

Ans. (b)

Export Promotion Industrial Park developed by commerce and Industries Ministry of Bihar is a multi product export processing area in Hazipur.

33. Bihar State has the highest number of people below the poverty line due to –

- (a) failure of Land reforms
- (b) lack of political will
- (c) large number of labour class
- (d) all of these

43rd B.P.S.C. (Pre) 1994

Ans. (d)

Bihar is one of the poorest states of India. The main reason for poverty in Bihar has been the failure of land reforms due to lack of political willpower. There is also an abundance of labourers as the state lags behind industrially to provide them employment. Thus, the reason given in all the three options are responsible for poverty and backwardness of the state of Bihar.

34. The outstanding liability of the State of Bihar is-

- (a) Rs. 37,653 crores
- (b) Rs. 67,653 crores
- (c) Rs. 87,663 crores
- (d) Rs. 90,000 crores

45th B.P.S.C. (Pre) 2001

Ans. (*)

Data regarding the outstanding debt of the state of Bihar is not available for the mentioned period. According to a white paper on debts on the state of Bihar presented by the then deputy chief Minister Sushil Kumar Modi in 2006, outstanding debt on the state at that time was 42483 crore rupees. The total outstanding debt as on 31st March, 2023 for the state of Bihar is Rs. 293307.16 crore.

35. Two statements are given below, first is Assertion (A) and second is Reason (R), read carefully both-

Assertion (A) : Southern Bihar is more developed than Northern Bihar

Reason (R) : Development of industries occurred in South Bihar.

With respect to both the statements, which of the following is true?

- (a) A and R both are true and R is the correct explanation of A.
- (b) A and R both are true but R is not the correct explanation of A.
- (c) A is true but R is false.
- (d) A is false but R is true.

40th B.P.S.C. (Pre) 1995

Ans. (d)

Southern Bihar i.e. present-day Jharkhand was less developed than Northern Bihar. Under development of Southern Bihar was the main reason for the formation of Jharkhand. Therefore, assertion (A) is incorrect. Southern Bihar has a mineral-rich area. Therefore, mineral-based industries developed more frequently in southern Bihar. Jamshedpur, Dhanbad, Bokaro etc. were major industrial cities of the then Southern Bihar.

36. Which of the following is a centre of textile industry in Bihar?

- (a) Gaya
- (b) Bhagalpur
- (c) Patna
- (d) Munger
- (e) None of the above / More than one of the above
