The Governance System

*A Government is an institution or a system made of a group of people that takes care of or manages a country or a State. Every Government has its own Constitution or a set of fundamental principles that it follows to ensure effective governance. *An **autocracy** is a form of Government where the supreme power or rule is in the hands of one individual or entity. *Autocracy includes **absolute monarchy**, where a family or a group of families rule a country. *The post of monarch is inherited in an absolute monarchy. ***Monarchy** is the oldest form of Government. Now, autocracy also includes dictatorship. ***Dictatorship** is a form of Government in which an individual possesses absolute power without any effective limitations. ***Democracy** is the most popular form of Governance at

present. In this form of Government, the final power resides with the people. *The State has four essential elements - **Population, Territory, Government and Sovereignty**. Sovereignty is the most important element. *India, before 1947, was not a State because though it had three other elements, i.e. population, territory and Government; the fourth and most important one, i.e. sovereignty, was missing because of British control over India. * There are mainly two types of systems of Governance – **Parliamentary and Presidential**. *India follows a Parliamentary form of government which is influenced by the Parliamentary system of the United Kingdom. *In the **Parliamentary system**, members of the executive branch are taken from the Legislature and are also accountable to the legislature. The Parliamentary system of Government is also known as the Cabinet form of Government. *The government is responsible to the popular House of the legislature and remains in power till it has the support of a majority of members in that House. Thus, the Cabinet form of Government is a mechanism to ensure the collective responsibility of the Government to the people. *In India, the Cabinet is headed by the Head of the Government, the Prime Minister. *The Head of the State is the President. *India is a Democratic Republic where the Supreme power is vested in the people of India. *The Indian political system does not provide for a unified authority but makes a division of powers between the Union and the States. *The Indian Constitution has both **Federal and Unitary features**. In its Federal characteristic, it has a written Constitution, division of powers between centre and States, independent judiciary and bicameral legislature, etc. *However, it also includes unitary features like single citizenship, the appointment of Governors by the President, Declaration of emergency and the power of parliament for implementation of international agreements. *In the Presidential form of Government, the President is the head of the executive branch. *The best example of the Presidential form of Government is the Government of the USA. **Granville Austin** described Indian Federalism as Cooperative Federalism. **K.C. Wheare** describes it as **Quasi – federal**. **Dr. B.R. Ambedkar** stated that the Constitution has not been set in a tight mould of federalism, that is, it contains both federal and unitary features.

The Parliamentary sovereignty is a principle of the UK constitution. It makes Parliament the supreme legal authority in the UK, which can create or end any law. Generally, the courts cannot overrule its legislation and no Parliament can pass laws that future Parliaments cannot change. Therefore, statement 1 is correct.

But, India follows constitutional government where the power of Parliament to legislate is limited by the constitution. In the case of India, the concept of Basic Structure has moulded the Judiciary to a certain extent; the Basic Structure Principle has stood as a pillar for the Indian Judiciary. It gives the power to the Judiciary to curb any Action of the Legislature and the Executive branch if it is found to be found contradictory.

The provision for a Constitution bench has been provided in the Constitution of India under Article 143 and Article 145(3). It is the Chief Justice of India who is constitutionally authorized to constitute a constitution bench and refer cases to it. In the absence of a written Constitution, the British Parliament is a Sovereign body, while the Indian Parliament is subject to the Constitution of India. Its powers are not absolute in the British sense of the term. The Supreme Court has the power of judicial review. It can declare any legislative Action which is inconsistent with the Basic Structure of the Constitution of India as null and void.

40. Consider the following statements and select the correct answer from the code given at the end:

Assertion(A) : The Constitution of India provides for a federal system.

Reason(R) : It has created a very strong centre.

Code:

- (a) Both (A) and (R) are true, and R is correct explanation of A.
- (b) Both (A) and (R) are true, but R is not the correct explanation of A.
- (c) (A) is true (R) is false.
- (d) (A) is false (R) is true.

U.P.P.C.S. (Pre) 1995

Ans. (b)

As per Dr. B.R. Ambedkar- "The Constitution can be both Unitary as well as Federal according to the requirements of time and circumstances. In normal times, it is framed to work as a federal system. But in times of war or Emergency, it is so designed as to make it work as though it was a unitary system". Thus both statements (A) and (R) are true, but (R) is not a proper explanation of (A).

41. Assertion (A) : Federalism is not practical in India.

Reason (R) : India is not a Federal State.

Select the correct answer from the code given below:

Code :

- (a) Both (A) and (R) are true, and (R) is the correct explanation of (A).
- (b) Both (A) and (R) are true, but (R) is not a correct explanation of (A).
- (c) (A) is true, but (R) is false.
- (d) (A) is false, but (R) is true.

U.P.P.C.S. (Pre) 1998

Ans. (c)

India is not a complete Federal State because some provisions in the Indian Constitution give it a unitary character. So, the Indian constitution is federal in nature but unitary in spirit. However, a number of Constitutional experts accept it as a federal state as there is a division of powers between the Union and States. K.C. Wheare describes the Indian Constitution as 'Quasi-Federal'. Thus, (A) is true, but (R) is false.

42. Which One of the following in Indian polity is an essential feature that indicates that it is federal in character?

- (a) The independence of judiciary is safeguarded.
- (b) The Union Legislature has elected representatives from constituent units.
- (c) The Union Cabinet can have elected representatives from regional parties.
- (d) The Fundamental Rights are enforceable by Courts of Law.

I.A.S. (Pre) 2021

Ans. (a)

Independence of the judiciary is an essential condition of the federal system because it is the judiciary which has the power of interpretation of the constitution.

43. Which of the following is not a federal feature of the Indian Constitution?

- (a) Distribution of power between Centre and States
- (b) Entirely written Constitution
- (c) Single Citizenship
- (d) Independent Judiciary

U.P.P.C.S. (Pre) (Re. Exam) 2015

Ans. (c)

The Indian Constitution has both Federal and Unitary features. Its Federal characteristics include a Written Constitution, rigid Constitution, distribution of powers between States and Centre, Independence of Judiciary and bicameral Legislature, etc. However, it also includes features like single citizenship, the appointment of Governors by the President, declaration of Emergency and the Power of Parliament for agreements implementation which are unitary characteristics. Thus, option (c) is not a federal feature among above options.

44. Which unitary elements are found in Indian Federal System?

- i. Written Constitution
- ii. Rigid Constitution
- iii. Supremacy of the Constitution
- iv. Appointment of Governor
- v. Decentralisation of Powers
- vi. President's approval on state bills
- vii. Constitutional Crisis
- viii. One Supreme Court

- (a) i iii vii
- (b) ii v viii
- (c) i ii v
- (d) iv vi vii
- (e) None of the above

Chhattisgarh P.C.S. (Pre) - 2017

Ans. (d)

The Constitution of India contains all the usual features of a federation, viz, two governments, division of powers, written Constitution, rigidity of the Constitution, independent judiciary and Bi-cameralism. However, the Indian Constitution also contains a large no of unitary features, viz a strong centre, single Constitution, single Citizenship, flexibility of Constitution, integrated Judiciary, appointment of state Governor by the centre, all India services, Emergency provision, etc.

45. Which of the following is a unitary element in Indian Federal System?

- (i) Decentralization of Powers
- (ii) Appointment of Governors
- (iii) Unequal representation in Rajya Sabha
- (iv) Judicial Review
- (v) All India Services
- (vi) Bicameral legislature

Code :

- (a) i iii vi
- (b) ii iii v
- (c) iii v vi
- (d) ii iv v
- (e) None of the above

Chhattisgarh P.C.S. (Pre) 2015

Ans. (b)

Article 1 of the Indian Constitution declares India to be a Union of States. However, the constitution has unitary element in the federal structure. For example provisions for a powerful Centre, single citizenship, the appointment of governors, All India services and unequal representation in the Rajya Sabha are unitary elements.

46. Which of the following statements about the federal system in India are correct?

1. The Constitution introduces a federal system as the basic structure of Government.
2. There is a strong admixture of a unitary bias.
3. Both the Union and State Legislatures are sovereign.
4. The legislative, financial and judicial powers have been divided between the Union and its units.

Select the correct answer from the codes given below:

Code :

- (a) 1 only (b) 1 and 2 only
(c) 1, 2 and 3 only (d) all the four

U.P.P.C.S. (Mains) 2004

Ans. (b)

The Constitution of India introduces a federal system as the basic structure of Government as there is the distribution of Power as given under the seventh schedule of the Constitution and Art. 245-255 which is related to the distribution of Legislative powers. However, features like single Citizenship, Appointment of Governors by Presidents, Power of the Parliament to legislate on any matter of state list in a time of Emergency (Article 250), Power of Parliament to legislate on a matter of state in the national interest (Art 249) shows a strong Unitary System. Statements 1 and 2 are correct and 3 and 4 are wrong because the state legislature does not have power in reference to Foreign and Defence matters. This power comes under the Union Parliament. So, only Union is sovereign not the States. There is only hierarchy in the Judicial system not the division of judicial power between the Union and the state. So option 4 is also wrong.

47. Which one of the following characteristics is not true for unitary form of Government?

- (a) Swift decision
(b) Flexible
(c) Ideal for large countries
(d) Uniformity of laws
(e) None of the above /More than one of the above

65th B.P.S.C. (Pre) 2019

Ans. (c)

Characteristics of a unitary form of Government are a Strong Centre, Single Constitution, Flexibility of the Constitution, Emergency provisions, Single Citizenship, Integrated judiciary, All-India Services, Integrated Audit Machinery, Parliament's Authority over state list, Appointment of Governor, Integrated Election machinery, Veto over State Bills.

It cannot be outrightly said that it is ideal for large countries; it only depends on countries' will. So, the answer to this question will be (c).

48. Assertion (A) : President of India is elected indirectly. Reason (R) : Parliamentary system in India has been combined with Republicanism.

Code :

- (a) Both (A) and (R) are true and (R) is the correct explanation of (A).
(b) Both (A) and (R) are true but (R) is not the correct explanation of (A).
(c) (A) is true but (R) is false.
(d) (A) is false but (R) is true.

R.A.S./R.T.S. (Pre) 2013

Ans. (a)

The President of India is elected by indirect election. The Parliamentary system in India has been combined with republicanism, as the Head of the State is the President. As in a Republic, there is no hereditary ruler, and all the representatives and other authorities are elected by direct or indirect, election by the people of India. Thus, both statements are true and (R) is the correct explanation of (A).

49. Here are two statements:

Assertion (A) : Political Parties are life-blood of democracy.

Reason (R) : Normally people blame political parties for bad governance.

Which of the following is correct in above context-

- (a) Both (A) and (R) are true, and (R) is the correct explanation of (A).
(b) Both (A) and (R) are true, but (R) is not a correct explanation of (A).
(c) (A) is true, but (R) is wrong.
(d) (A) and (R) both are wrong.

U.P.P.C.S. (Pre) 2009

Ans. (a)

In a democratic system, political parties play an important role in the formation of government. They bring people together to achieve control of the Government and develop policies favourably and in the interests of the people. So it is said that political parties are the life-blood of democracy. It is also true that people usually blame political parties for bad governance. Thus, both (A) and (R) are true and (R) is the correct explanation of (A).

50. Who had proposed "Party Less Democracy" In India?

- (a) S.A. Dange (b) Ram Manohar Lohiya
(c) Mahatma Gandhi (d) Jay Prakash narayan

M.P.P.C.S. (Pre) 2019

Ans. (c) & (d)

Both Mahatma Gandhi and Jay Prakash Narayan supported party-less democracy in India.

51. Assertion (A) : The primary objective of India's federal design was to weave a nation out of its many diverse parts and protect national integration.

Reason (R) : Accommodation of diversities has built a stronger, not weaker, Indian nationhood.

Code :

- (a) (A) is false, but (R) is true.
(b) Both (A) and (R) are individually true and (R) is the correct explanation of (A).
(c) Both (A) and (R) are individually true, but (R) is not the correct explanation of (A).
(d) (A) is true, but (R) is false.

R.A.S./R.T.S. (Pre) 2013

Ans. (b)

Here, Assertion and Reason both are correct and (R) is the correct explanation of (A). Under Article 1, India is a Union of States which includes 28 states and 8 Union Territories. There is a division of Power between the Union and the States where more powers are given to the Union. Indian Federal design aims to weave a nation out of its many diverse parts and protect national integration. Therefore, the accommodation of diversities has resulted in a strong nationhood, not a weaker one.

52. Given below are two statements, one is labelled as Assertion (A) and the other as Reason (R):

Assertion (A) : The nature of Indian Political System embodies the elements of 'continuity and change'.

Reason (R) : The Indian Political System contains the elements of the following political system such as the modern style, the traditional style and saint style.

Select the correct answer from the codes given below.

Codes :

- (a) Both (A) and (R) are true and (R) is the correct explanation of (A).
(b) Both (A) and (R) are true but (R) is not the correct explanation of (A).

(c) (A) is true but (R) is false.

(d) (A) is false but (R) is true.

U.P.P.C.S. (Pre) 2020

Ans. (a)

Like the Indian Political system, from the Mauryan period to the modern era, its specific elements still exist in tangible form. Although the continuous and changing Indian Political system from various ages and periods contained elements of modern style, traditional style and saint style. Thus, both statements (A) and (R) are true, and (R) is the correct explanation of (A).

53. Assertion (A) : Women, Dalits, Poor and Minority groups are the biggest stakeholders of Democracy in India.

Reason (R) : Democracy in India has emerged as the carrier for the desire of Self Respect.

Code :

- (a) Both (A) and (R) are true and (R) is the correct explanation of (A).
(b) Both (A) and (R) are true but (R) is not the correct explanation of (A).
(c) (A) is true but (R) is false.
(d) (A) is false but (R) is true.

R.A.S./R.T.S. (Pre) 2013

Ans. (a)

Democracy protects individual rights and increases the self-respect and dignity of women, poor, Dalits and minority groups. So, they are the biggest stakeholders of democracy in India. Both (A) and (R) are true, and (R) explains (A) correctly.

54. The reason for the Indian Constitution being the bulkiest is that :

- (a) it incorporates the experience of many Constitutions
(b) it contains detailed administrative provisions.
(c) it deals with the Government of a large country.
(d) it contains the Constitution of both Union and State Governments.

U.P.P.C.S. (Pre) 1997

Ans. (*)

The Indian Constitution is the longest-written Constitution in the world. There is no single reason for the bulkiest of the constitution in the given option. The nature of the constitution has become larger due to all the above reasons. So, there is not even a single valid reason among all the choices, but all are true.

55. Which of the following statements is true?

- (a) The Federal form of Government is in United States of America.
- (b) The government of India is federal and unitary both.
- (c) The government of France is of federal form.
- (d) The Prime Minister of Pakistan is appointed by the people.

38th B.P.S.C. (Pre) 1992

Ans. (a)

The government system of America is federal. The United States of America is a federal republic consisting of 50 States however India is a Union of 28 States and 8 Union Territories. Article 1 of Indian Constitution declares it as the Union of States. A federal government is one in which there is a division of powers between the central government and state governments by the constitution itself, and both operate in their respective jurisdictions independently. Some Constitutional experts called the Indian Constitution having unitary nature because at the time of emergency it provides a strong centre, but the reality is that Indian Constitution is of federal nature, having some unitary features.

56. Which one of the following is not a feature of Indian federalism?

- (a) There is an independent judiciary in India.
- (b) Powers have been clearly divided between the Centre and the States.
- (c) The federating units have been given unequal representation in the Rajya Sabha
- (d) It is the result of an agreement among the federating units.

I.A.S. (Pre) 2017

Ans. (d)

A written Constitution, distribution of powers, supremacy of the constitution, Independence of Judiciary, unequal representation of states in the Rajya Sabha and Dual Governments are all features of Indian federalism. However, Indian federalism is not a result of any agreement among the federating units. While using the word 'Union', Dr. Ambedkar mentioned in the Constituent Assembly that it shows that (a) the Indian federation is not the result of an agreement by the units, and (b) the component units have no freedom to secede from it. Thus option (d) is not a feature of Indian federalism.

57. Given below are two statements, one is labelled as Assertion (A) and the other as Reason (R) :

Assertion (A) : Indian federalism is called 'Quasi-federal'.

Reason (R) : India has an independent judiciary with power of Judicial Review.

Select the correct answer from the codes given below.

Codes :

- (a) Both (A) and (R) are true and (R) is the correct explanation of (A).
- (b) Both (A) and (R) are true but (R) is not the correct explanation of (A).
- (c) (A) is true but (R) is false.
- (d) (A) is false but (R) is true.

U.P.P.C.S. (Pre) 2020

Ans. (b)

The Constitution of India has been described in various ways. K.C. Wheare describes it as Quasi-federal. It means that government generally belongs to the Federal System, but the Constitution enables the Federation to be converted into a unitary state. Generally, it happens during an emergency. Independent Judiciary empowered by Judicial Review is a crucial feature of our Constitution. The Constitution of India explicitly establishes the doctrine of Judicial Review in the following Articles : 13, 32, 136, 137, 226 and 227. Thus, both statements (A) and (R) are true, but (R) is not the correct explanation of (A).

58. Assertion (A) : Indian Constitution is quasi-federal.

Reason (R) : Indian Constitution is neither federal nor unitary.

Select the correct answer using the codes given below :

- (a) Both (A) and (R) are true, and (R) is the correct explanation of (A).
- (b) Both (A) and (R) are true, but (R) is not the correct explanation of (A).
- (c) (A) is true, but (R) is false.
- (d) (A) is false, but (R) is true.

U.P.P.C.S. (Pre) 2007

Ans. (a)

The framers of the Constitution adopted the federal system for two main reasons: the large size of the country and its socio-cultural diversity. There is no unanimous view among the Constitutional experts regarding the nature of the Constitution. Granville Austin describes Indian Federalism as Cooperative Federalism, while K.C. Wheare describes it as Quasi-Federal. In the words of D.D. Basu, the Constitution of India is neither purely federal nor unitary, but it is a combination of both. Thus option (a) is the correct answer.

59. What is the nature of the Indian Constitution ?

- (a) Federal
- (b) Unitary
- (c) Parliamentary
- (d) Federal in nature but unitary in spirit
- (e) None of the above / more than one of the above

63rd B. P.S.C. (Pre) 2017

Ans. (d)

See the explanation of the above question.

60. Who called Indian Federalism as the Cooperative Federalism.

- (a) G. Austin
- (b) K.C. Wheare
- (c) Sir Ivor Jennings
- (d) D.D. Basu

Chhattisgarh P.C.S. (Pre) 2008

Ans. (a)

See the explanation of the above question.

61. Who said : "India is a quasi-federal state"?

- (a) Harold Laski
- (b) Ivor Jennings
- (c) Lord Bryce
- (d) K.C. Wheare

U.P.P.S.C. (GIC) 2010

U.P.P.C.S. (Pre) 2019

Ans. (d)

See the explanation of the above question.

62. Match List-I with List-II and choose the correct answer using the codes given below the lists :

List-I

List-II

- | | |

U.P.P.C.S. (Pre) 2024

Ans. (c)

The correct matches of the lists in the question with respect to the Indian Federal System is as follows :

63. In relation to Indian Constitution who said that "Indian Constitution establishes good balance between Rigidity and Flexibility."

- (a) B.R. Ambedkar
- (b) M.P. Payli
- (c) Alexandrovics
- (d) K.C. Wheare

U.P.P.C.S. (Mains) 2005

Ans. (d)

K.C. Wheare was of the opinion that the Indian Constitution is a Quasi-Federal Constitution. He said that Indian Constitution establishes a good balance between rigidity and flexibility because there exists variety in the amending process. Some provisions of the constitution can be amended only by a simple majority and some by a special majority. Therefore, it can be termed as a good balance between rigidity and flexibility.

64. Who of the following has stated that "The Constitution has not been set in a tight mould of Federalism"?

- (a) D.D. Basu
- (b) K.M. Munshi
- (c) B.R. Ambedkar
- (d) K.S. Aiyer

U.P.P.C.S. (Spl.) (Mains) 2008

Ans. (c)

Dr. B.R. Ambedkar accepted that the Indian Constitution had not been set in the tight mould of federalism, and it contains both federal and unitary characteristics.

65. Who rejected the 'Principles of Administration as myths and proverbs'?

- (a) Herbert Simon
- (b) Dwight Waldo
- (c) Frank Marini
- (d) F. W. Riggs

Jharkhand P.C.S. (Pre) 2016

Ans. (a)

Herbert A Simon rejected the 'principle of administration as myths and proverbs' while Dwight Waldo, Frank Marini and F.W. Riggs accepted administration as myths and proverbs.

66. Which one of the following reflects the most appropriate relationship between law and liberty?

- (a) If there are more laws, there is less liberty.
- (b) If there are no laws, there is no liberty.
- (c) If there is liberty, laws have to be made by the people.
- (d) If laws are changed too often, liberty is in danger.

I.A.S. (Pre.) 2018

Ans. (b)

The two are not at odds with one another rather, they complement one another. The liberty only comes as a result of established laws. When there are no laws to protect or provide freedom and liberty, violations of the same take place. Hence option (b) becomes the right answer.

67. Who among the following is concerned with the concept of Development Administration?

- (a) Fred W. Riggs (b) Frank Marini
- (c) Elton Mayo (d) Gabler Osborne

Jharkhand P.C.S. (Mains) 2016

Ans. (a)

Development administration is a dynamic concept that brings about socio-economic and political - economic changes in society. Fred W. Riggs gave concept of development administration. Riggs defined it to be the organised efforts to be used by large-scale organisations, notably governments, to implement policies and plans designed to meet their development objectives.

68. Which one of the following thinkers favours similarities in Public Administration and Private Administration?

- (a) Herbert Simon
- (b) Paul H. Appleby
- (c) Sir Josia Stamp
- (d) Henri Fayol

Jharkhand P.C.S. (Mains) 2016

Ans. (d)

Henri Fayol is known as the father of modern management theory. He gave the famous 14 principles of management and said these are universal in nature. So, through these universal principles, Fayol tried to establish similarities in public administration and private administration.

69. "If our Civilization fails it will be mainly because of a breakdown of administration". This statement has been given by -

- (a) L.D. White
- (b) Alexander Pope
- (c) B. Donham

Jharkhand P.C.S. (Mains) 2016

Ans. (c)

70. Which one of the following is not true in relation to democratic determination.

- (a) A state in which people are supreme
- (b) Supreme power is vested in elected head
- (c) Supreme power is vested in a person (solely) likewise a king
- (d) A government formed by representative elected by people

U.P.U.D.A./L.D.A. (Mains) 2010

Ans. (c)

Option (c) does not represent the democratic nature of the Constitution. Rest of the options are correct regarding democracy.

71. Which of the following are regarded as the main features of the "Rule of Law"?

1. Limitation of powers
2. Equality before law
3. People's responsibility to the government
4. Liberty and civil rights

Select the correct answer using the code given below :

- (a) 1 and 3 only
- (b) 2 and 4 only
- (c) 1 2, and 4 only
- (d) 1, 2, 3 and 4

I.A.S. (Pre.) 2018

Ans. (c)

The Rule of law was propounded by A.V. Dicey, a British Jurist. His concept has the following three elements :

- (a) Limitation of powers, i.e. absence of arbitrary power. No man can be punished except for a breach of law.
 - (b) Equality before law, i.e. equal subjection of all citizens to the ordinary law of the land, administered by ordinary law courts.
 - (c) Liberty and civil rights, i.e. the Primacy of the rights of the individuals. The Constitution is the result of the rights of the individual as defined and enforced by the courts.
- Hence, option (c) becomes the most appropriate answer.

72. Which one of the following statements best reflects the Chief purpose of the 'Constitution' of a country?

- (a) It determines the objective for the making of necessary laws.
- (b) It enables the creation of political offices and a government.

- (c) It defines and limits the powers of government.
- (d) It secures social justice, social equality and social security.

I.A.S. (Pre.) 2023

Ans. (c)

A nation's Constitution serves primarily to establish the structure and nature of the government, thereby providing a foundation for it. A state's constitution, which is its foundational law, also establishes the roles and duties of the three branches of government: the legislature, the executive and the judiciary. However, its chief purpose is to define and limit the power of government. In fact, the Constitutional government is, by definition, a limited government.

73. Consider the following statements:

A Constitutional Government is one which

- 1. Places effective restrictions on individual liberty in the interest of the state Authority**
- 2. Places effective restrictions on the Authority of the State in the interest of individual liberty**

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

I.A.S. (Pre.) 2014

Ans. (b)

Constitution is the source of power of a Constitutional Government. The Constitution imposes certain limitations upon the Government in the interest of the People. Constitutionalism has evolved to protect public interest and liberty from the Autocratic power of Government. The institutional mechanism remains present in Constitutional Governments to protect citizen's liberties.

74. A constitutional government by definition is a :

- (a) government by legislature
- (b) popular government
- (c) multi-party government
- (d) limited government

I.A.S. (Pre.) 2020

Ans. (d)

The Constitution is the Source of Power of a constitutional government. Constitution imposes certain limitations upon the government in the interest of the People. Hence, a constitutional government, by definition is a limited government. So the correct answer is an option (d).

75. Constitutional government means

- (a) a representative government of a nation with federal structure
- (b) a government whose Head enjoys nominal powers
- (c) a government whose Head enjoys real powers
- (d) a government limited by the terms of the Constitution

I.A.S. (Pre.) 2021

Ans. (d)

Constitutional government or Constitutionalism, means that a government's authority is determined by a body of laws or constitution. Although constitutionalism is sometimes regarded as a synonym for limited government, that is only one interpretation and by no means the most prominent one. Thus, option (d) is the correct answer.

76. In the context of polity, which one of the following would you accept as the most appropriate definition of liberty?

- (a) Protection against the tyranny of political rulers
- (b) Absence of restraint
- (c) Opportunity to do whatever one likes
- (d) Opportunity to develop oneself fully

I.A.S. (Pre.) 2019

Ans. (d)

Option (a) and (b) give a negative perception of liberty. Option (c) is related to anarchy and lawlessness. Option (d) provides a positive conception of liberty as provided in our constitution. The term liberty means the absence of restraints on the Activities of individuals, and at the same time, providing opportunities for the development of individual personalities. Liberty that our constitution provides for the provision of reservation protection of minority rights, prohibition of discrimination on the grounds of religion, race, caste, sex or place of birth, etc., provide for creating an enabling atmosphere where individuals can develop themselves fully. So, the correct option is (d).

77. One of the implications of equality in society is the absence of

- (a) Privileges
- (b) Restraints

(c) Competition

(d) Ideology

I.A.S. (Pre) 2017

Ans. (a)

The Principle of equality is largely confined to the test of eradicating special privileges. This is evident in the fact that the calls for formal equality were first made in the hope of breaking down the hierarchy of ranks and orders that had survived from feudal times. Privileges granted to one class of persons on the grounds of gender, colour, creed or religion are widely regarded as irrational prejudices which fall contrary to the principle of equality.

78. Of the following political features, which is/are common to India and the USA.

1. Residuary powers vested in the centre.
2. Residuary powers vested in the states.
3. President has the power of pocket veto.
4. The upper house has some nominated members.

- (a) 3 only (b) 3 and 4 only
(c) 2, 3 and 4 only (d) 1, 3 and 4 only

U.P.P.C.S. (Pre) 2017

Ans. (a)

Pocket Veto is an indirect veto of a legislative Bill by an Executive through retention of the Bill unsigned until adjournment of the legislature. The President of India and the American President both possess pocket veto. The American President is bound to return the Bill within 10 days if he refuses his assent, whereas there is no such time limit in the Indian Constitution for the President of India. The residuary powers are vested in the Centre in India and in the States in USA.
